

GSM Scout protect LTE

Counteracting to burglary and thefts - Easy monitoring and telecontrolling by SMS from your cell phone.

Order no.: 700100212L

Applications

Monitoring of:

- Home
- Cottage
- Boats, caravans, etc.

Teleswitching of:

- Light
- Alarm siren
- Air conditioner

General information

The GSM Scout protect LTE can be used for monitoring homes and cottages. Because of its small dimensions, it is easy to hide at any place. With its internal motion sensor, unallowed entering of parcels is reported up to 4 customized numbers. Because of direct, quiet alarming, burglary can be detected directly, which makes prosecution quite easy. The triggering of electrical devices by SMS is also possible, because of internal switching relays.

For protecting the circuitries of burning damages, using a R/C protection combination is recommended.

Technical specific features

- Easy installation
- Easy customization with SIM card
- Easy to hide, because of small dimensions
- Different housing colours

Functional extension e-mail

Alarm text via e-mail (in addition to SMS)

Conditions

For using the GSM Scout protect LTE is required:
GSM antenna, 4,5 V DC,
SIM card (prepaid or contract), sensors

Technical data

Mobile phone network	Usable with all general mobile providers
Customization	SIM card customization by cell phone
Dimensions / weight	123 x 70 x 25 mm (W x L x H) / 104 g
Temperature range	- 20 °C until + 60 °C working temperature
Interfaces	1 register circles for "break ins" 2 x relay contacts
Power supply	11 - 35 V DC, 60 mA, Standby: 0,06 A, Battery charging: 0,66 A, SMS sending: 0,15 A requirement
Motion sensor	Range: 5 m / 100° horizontal, 82° vertical

Scope of supply	GSM Scout protect Battery package Liion 3,7 V / 1035 mAh Manual Miniature screwdriver for brackets Screws of the housing
Functional extension	Alarm message and arming via e-mail and/or SMS, configuration with USB cable on the PC, server setup and usage for 1 year Order no. 701100921 (used for 1 year)
Optional accessories	Power supply 230 V AC / 12 V DC Glass attached antenna (indoor), 1,5 m cable (SMA) Round antenna PUK (outdoor), 3 m cable (SMA) R/C protection Different sensors on request
Order no.:	305307214 300303304S 300303310S 700100618
